

10th Special Report to the U.S. Congress on Alcohol and Health

Printing Instructions

This on-line, PDF version of the *10th Special Report to Congress on Alcohol and Health* is 492 pages long and is divided into separate files. The first file (24 pages), entitled "Introductory Section," consists of the title page, table of contents, foreword, preface, introduction, and acknowledgements. Each chapter (1-8) is divided into several sections by topic; each section is an individual file ranging from 6 to 27 pages in length. The last file is the 30-page subject index. Choose the section(s) of interest to you, click on them, then print. If you wish to print out the entire report, each section must be printed individually.
